

Road Openings in Co. Leitrim

Notice to all contractors/applicants who intend to apply to open roads within Co. Leitrim.

Please note changes to procedure.

As of 1st July 2016 all Road Opening Licence applications must be made through the online MRL System (**MapRoad Roadworks Licensing**). MRL is the national on-line system for managing roadworks licensing, including Road Opening Licence applications.

Prior to making a Road Opening Licence application, the applicant must be registered on the MRL system. Access to MRL is through the Road Management Office website www.RMO.IE
